# Frequently Asked Questions

## When should I take QuiAri Energy?

Take 1 tablet two times daily. Drink at least 8 glasses of water daily. QuiAri Energy is most effective when paired with QuiAri Shake.

## Will QuiAri Energy help me lose weight?

Our exclusive ingredients work synergistically to promote weight loss and boost energy.

- **MaquiX™:** The maqui berry is the new number 1 superfruit, with up to 5 times more antioxidants than any other superfruit. MaquiX™ is our super-concentrated organic extract that boosts the natural power of the maqui berry.
- **Green Tea Extract:** Green tea extract can help kickstart weight loss when combined with a healthy diet and exercise.
- **Energy Blend:** The key to thermogenic weight loss, our unique Energy Blend helps you burn calories and fat for high-performance weight loss.

## What is in our Energy Blend?

Our Energy Blend is powered by a high-caliber combination of ingredients designed to help keep your body in the ideal fat burn mode.

- **Cinnamon bark:** Can aid in digestive health and helps reduce inflammation
- **Cayenne pepper:** Helps boost metabolism, helps reduce appetite, and aids in digestive health
- **Black pepper:** Contains antioxidants and promotes nutrient absorption
- **Ginger root:** Promotes healthy digestion and helps fight inflammation

## How much energy will QuiAri Energy give me?

QuiAri Energy is the best clean and healthy pick-me-up! With the help of MaquiX™, our green coffee bean extract, and green tea extract, QuiAri Energy provides the natural energy you need for long-lasting endurance — the equivalent to one to two cups of coffee!

## How many servings of QuiAri Energy do I get?

Each bottle or bag of single serve packets provide a month's supply of tablets.
